

## C.C.M. News Letter March 2010

Dear Faith Partners of Compassion Clement Mission

### *Greetings in the precious name of our Lord and Savior Jesus Christ.*

What a mighty God we serve, who cares us and leads us in all situations when we lean upon Him. My heart is full of praise as He is leading us in our missionary journey. I am very much grateful to Lord for bringing you into our lives and making us Brothers and sisters and Ministry partners, through His blood.

Children Playing In CCM Land

First we drilled bore well on the Land as we did not get water in that, again we had to drill another bore well. For just 40 feet into the ground we got very good water but we went up to 250 feet. We finished the basement for 10 rooms, plus Dining room, we started brick work on it. As I was touching each brick with my fingers, I felt on each brick God has written the name of those who prayed for our children and financially supporting our ministry. Though you are far across oceans, deserts, valleys, hills, you are with us and we are with you. Surrounded with your prayers and love that we see every day in Christ Jesus.

We took the older children to the land in a rented trolley, and spent some time there with them. They enjoyed laughing, jumping and prayed over there. They did not want to leave that place. They started planning for nice vegetable and flower garden. Boys were interested to have playground, for Cricket, Football etc. I am unable to put words in this letter of children's expressions how they laughed, played, jumped on the land. I felt as if they are released like birds into the open sky. Oh, I have no words to thank the Almighty God for bringing you into our ministry to give these children a new life in Christ Jesus and a new home to live.

Building Walls

Children in Rented Trolley

We were once disappointed as the construction work could not continue due to lack of money but, by the Grace of God and with all your small and big support, we could start it again. We are also happy to tell you that, we cleared every loan given to C.C.M to buy land. Some of them are forgiven and the rest are cleared.

Please do not stop sponsoring our children. I know the Economy is not good. But I pray God that; He will bless you hundred times for what you are doing for these children. We do not get any government support, what ever support we are getting is from you. Your precious support will help them to complete their education and reach their goal in life. If you stop to sponsor them it will lead them to break their studies. If you are unable to send every month at least send once in couple months or in what ever way you like to but, please prayerfully continue to support the little ones.

Praying God For Help

**Curing the brick Walls**

***Thankyou note from all the children of C.C.M:-***

We thought we have nobody and we are orphans but, when we saw your kindness in different ways of your support to us, we say that we are not orphans. We were given privilege to be educated, fed, clothed, and know about the loving Lord God Jesus Christ, and now we could see that we are going to have Our New Own home. We want to Thank our Spiritual Mom, Dad, Grandma, Grandpa, friends, brothers, sisters, everybody.

To support our children  
Make your Checks to  
Hope Builders International,  
On Memo Write C.C.M and Send to,  
Hope Builders International  
P.O.Box - 317,  
Greenwood, Virginia 22943

**Fixing the Door Post**

I many times thought of sending our news letter by

**Sheba at Work**

post; at least once in three months but, I could not. To send a mail through post costs a lot. So, I sent our previous Newsletters by email but only 20% of them were received and the rest of them were returned. So, I request our sponsors and Friends to, Please send us your correct email address so that we can be in contact with our new updates.

**Elevation of the Construction**

***Urgent needs:***

We pray that the construction work should not be stopped. For that we need more bricks, Sand, Cement, Wooden doors and windows, stone for flooring , etc. above all these we need to construct a compound wall around the 4 acres' with brick and cement to protect our children. Please pray that God will supply all our needs.

To send your support for construction or for any other purpose,  
Contact Betty wood at 585-593-2405  
Make Checks payable to, Trinity India Mission Society  
Send to - Trinity Lutheran Church,  
470 North main street, Wellsville,  
NY - 14895
